Frosty and Misty Blue Beading Instructions
Assembling Instructions:

Once you have finished stitching the ornament backstitch using the outline as your guide for both the front and back pieces. Trim both pieces to 1/3in. from the stitched border and baste completely around the row edge. Finger press seams allowance to wrong side. Place wrong side's together, aligning edges. Don't forget to attach cording and tassel at the appropriate points. Lace together backstitched border, using DMC# 3755 /Presencia#3223. Leave a small opening to stuff with fiberfill. Continue lacing through backstitches.

Instructions to beading the edge of the ornament:

❖ Start from the top of the ornament next to the cording, use two strands of DMC3325/ 3305Baby Blue and securely attach to the fabric.
